Expérience professionnelle

wordpress freelancer

freelancer - Blida

novembre 2023 - mars 2024

I currently work through Freelance through several freelance websites, and I previously worked on more than 40 websites for several Arab and international companies.

Managing a WordPress e-commerce website

Mazaya group - blida

octobre 2022 - septembre 2023

I worked in an e-commerce company for a full year. My job was to organize and manage the entire content of the site, including offers, events, and malfunctions on the site, and it was another useful experience in my professional life.

WordPress developer

Zone - Blida

février 2020 - juillet 2022

I worked in the field of website development for an advertising office called Zone for two years with a professional and integrated team, and it was a useful and information-rich experience.
